Dear Pam

I am writing to you on behalf of The Bayble & Garrabost Community Association.

With sadness, the current committee have taken the decision to go ahead with the dissolution of the association. This decision has come about because it is felt that the number of other groups now active in the community is such that there is no longer a need for, or function of the association.

As per our Constitution, we are required to distribute all monies currently held by us to other charitable organisations within the area. We have agreed that the best way to do this is to donate all monies (approx £9300) directly to The Point Community Council.

We respectfully request that the money is used, where possible, for Bayble and Garrabost based projects, but we are very happy to be able to donate this money for the benefit for the entire Point area.

We hope to place an article in The Rudhach in the near future, detailing the history of the Bayble & Garrabost Community Association, and it would be a fitting ending to the article to give details of the handover of the funds to the Community Council, with perhaps a photo of the handover, if your committee is agreeable.

Please do not hesitate to contact me if you have any queries or concerns regarding any of the above.

Kind regards

Christine Chlad
